# REVIEW

—Our group in 2019 *grew exponentially*, and we've never been more proud of our financial engineers.

# PROGRESS

04

—We developed relationships with new customers every month in various *key areas*

## THE PAST YEAR

In the past 12 months we have taken new clients on in many key areas from multiple continents.

## PROGRESS

WOA is constantly innovating and upgrading our system - it is what we love, developing new ways in trading.

## KEY ACHIEVEMENTS

In 2019 our team has great enhanced WOAs performance and down side risk potential of drawdowns. We have also developed like a stabilizer to lower the variance market moving events.

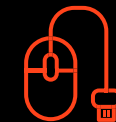

# CLIENTS

—We developed relationships with new customers every month in various *key demographics*

## CLIENT 1 RETAIL

Our retail client opportunities have been expanded in 2019 and continuing in 2020. This entails the increased variety of trading accounts in which to choose from, the newly set up customer indicators with month to month contracts and a variety of new term multiple account management, MAM available.

## CLIENT 2 INSTITUTIONAL

Our institutional client opportunities in our more classical hedge fund model has also been increased in terms of lock up and term options. For a detailed look into this and the types of returns our systems have been achieving please feel free to contact us anytime.
